STUDY HALL

- Ms. Reece's 4 A & 4 B Study Hall has a B LUNCH and is held in Room _____ this year.

Attendance: Students do have assigned seats and this is a quiet study hall. Students are tardy if they are not in the room when the bell rings. Please take attendance at the start of 4A and 4C when they return to lunch. Report can be given to school secretary after class.

Library: A student with a pass from a teacher/counselor to the library may go after you sign their pass. Please note the time and date on the pass. If it is not included, please record the date and time. If a student does not have a pass, you cannot write them one to use the library. Also, some teachers will ask for a student to take a test during study hall. This may require them to eat A lunch and then test B & C. That should be included on the pass.

Counselor's Office: You may give a pass to CI (Counselor's Office) during 4A. They should return to study hall with that pass signed. Students are at lunch 4B and the counselors typically eat 4C. You can try to send them during 4C but they may be sent back.

Cellphones/Electronic Devices: Can be used during study hall, however, they should not be heard or be a distraction of any kind.

Bathroom/Locker Requests: I allow students to go to the bathroom (right around the corner) and to their lockers without restrictions as they have earned that freedom. You may wish to send only one or two at a time if you prefer. Please give each student a yellow/white pass to travel in the hallways.
