

# Dunlap High School Chorus

## Formal Wear Care Guidelines

**Men: Tux Pants & Coat ~ Dry Clean ONLY**  
**Vests & Ties ~ Dry Clean ONLY**  
**Tux Shirt ~ Machine Wash after every use**

\*If ironing is necessary, please place a damp cloth between the iron and the material. Direct contact with the iron will singe the fabric and leave a mark.

\*Please **do not remove** the tags inside, especially not the size tag.

\*If hemming is necessary, please observe the following guidelines:

- A. Please hand stitch the hem so that it is 1/4 of an inch off the floor. Be Sure to measure the length while your son is wearing his concert shoes.
- B. Do not use safety pins, glue, “stitch witchery”, tape or any other sticky substance to secure the hem.
- C. Do not cut the excess fabric away. Other people may need to let the hem out in the future.
- D. Spray shirt collar and pits with stain remover when washing.

\*If your outfit is damaged unnecessarily, you will be given a bill to replace the item.

We are so fortunate to have these outfits and it is our goal to keep them in the best shape possible, for as long as possible. **Please hang everything on a hanger in between performances.** Thank you for your attention to these guidelines and if you have any questions, don't hesitate to call.

Ms. Reece

**ALL MEN NEED BLACK DRESS SHOES AND BLACK SOCKS**

## Formal Wear Care Guidelines

**Women: Black Formal Dress ~ Machine Wash COLD**  
**Show/JAZZ Choir Outfits ~ Dry Clean ONLY**

\***IF** ironing is necessary, please place a damp cloth between the iron and the material. Direct contact with the iron will singe the fabric and leave a mark.

\*Please **do not remove** the tags inside, especially not the size tag.

\*If hemming is necessary, please observe the following guidelines:

- A. Please hand stitch the hem so that it is 1/4 of an inch off the floor. Be sure to measure the length while your daughter is wearing her concert shoes.
- B. Do not use safety pins, glue, “stitch witchery”, tape or any other sticky substance to secure the hem.
- C. When hemming the black formal dress, be sure to hem the top layer of fabric as well as the bottom hem so that the dress hangs correctly. And remember to measure the length of the back of the dress, too.

\*If your outfit is damaged unnecessarily, you will be given a bill to replace the item.

We are so fortunate to have these outfits and it is our goal to keep them in the best shape possible, for as long as possible. **Please hang everything on a hanger in between performances.** Thank you for your attention to these guidelines and if you have any questions, don't hesitate to call.
