

Membership in Dunlap High School Music & Theater Boosters

Welcome parents and students to another great year of Dunlap music and theater. As parents of music or theater students, you are automatically a member of the Boosters organization and we hope you will consider taking an active role in supporting our students. Dunlap High School Music & Theater Boosters is a tax-exempt organization and our purpose is to promote and support the students and the directors of the band, orchestra, chorus, and theater programs. We do this by providing both volunteer and financial support.

Our membership dues and donations are one way we retain a strong positive cash balance to assist with financial requests from the music and theater programs. These requests typically include accompanists, competition lunches, chaperone fees and travel assistance, as well as capital needs for instruments and trailers. Our financial resources are typically sustained throughout the year from membership dues, fundraisers, spirit wear, and other events. Unfortunately, given COVID-19 we are limited in our ability to pursue traditional fundraising. We want to continue assisting our students with the very best support. Without booster dues and donations, our students are more likely to be asked to engage in group fundraisers and/or direct payment of expenses. **To fulfill your financial support, please go online to fill out the form and pay by clicking on our [MySchoolBucks page](#).**

You can also help continue the strong tradition of our music and theater programs by becoming a volunteer with the Boosters or the music and theater programs. **If you wish to volunteer at any level or have any questions, please email our communications team at eaglemusic.net@gmail.com.** To find out more, we encourage everyone to attend the monthly Boosters meetings on the first Tuesday of every month, 7:00 pm, via Zoom or in the Town Center at Dunlap High School.
